

GBPNIHE launches
photography competition
for WED-2021 celebrations:
**Ecosystem restoration in
Indian Himalaya**

Information

One participant can send the maximum of 3 original photographs.

JPEG/ BMP should not be less than 3 MB in size.

Name and other details should not be mentioned on the photographs.

Separate file with the details of name, date of birth, Address (including email), place of the photograph taken along with other details should be submitted

The photographs will be judged by the expert panelists. Their decision will be final.

All the entries will be the property of the institute, and copyright will be transferred to the institute. A line of credit will be given wherever used

For the celebration of World Environment Day 2021 targeting the theme “Ecosystem Restoration”, the G B Pant National Institute of Himalayan Environment is inviting the photograph entries on the theme *Ecosystem restoration in Indian Himalayas*, mainly showcasing the activities which are helpful for the improvement of socio-economic status of the people living in the Himalayan region. The entries are open for all the Indians. Please send us the entries of your creative efforts, collected while exploring the Himalayas, to the email id wedgbpnihe@gmail.com up to 31 May 2021.

All the participants will get certificates while the first three winners will be awarded by prize money along with the certificate

1st prize: ₹ 5000/-

2nd prize: ₹ 3000/-

3rd prize: ₹ 1000/-

The winners will be invited in the webinar which will be organized on the occasion of WED on 5th June 2021.
